

AMENDMENTS TO THE DRAWINGS

Submitted herewith is one replacement drawing sheet including Figs. 2, 3, 4 and 5 which should replace the original drawing sheet including Figs. 2, 3, 4 and 5. The replacement drawing sheet is a copy of the drawing sheet originally filed in this U.S. National Stage Application and the corresponding International Application.

REMARKS

This Preliminary Amendment is submitted to provide a copy of the drawing sheet including Figs. 2, 3, 4 and 5 that was originally filed in this U.S. National Stage Application and the corresponding International Application. It is noted that Fig. 3 in the published version of this application does not clearly illustrate the dotted line identified with reference numeral 56. It appears that the scanning of the documents into the electronic image file wrapper may have resulted in a partial obscuration of the dotted line.

Entry of this Preliminary Amendment is respectfully requested.

Should any questions arise concerning this matter, the undersigned respectfully requests that he be contacted at the number indicated below.

Respectfully submitted,
